

Bids for Sept '10 – Schedule of events

For various reasons the bidding process has started a little later this year. Please note that all classes being offered are “subject to demand”. We are still deeply committed to provide a place for every child that is currently in the school (some flexibility by parents may be necessary). The following is the initial timetable of events

17 May September class schedule published for information

17 May Registration forms available from the Music School

17 May Registration forms/£15 fee accepted by post and at the school. Bids accepted for siblings.

21 June (*or before*) First class lists for September 2010 published

28 June Places could be offered to those on the waiting list or to new enquirers (not currently in the Music School)

* *Registration forms will be accepted for the siblings of children already in the school. This is to help accommodate parents looking for parallel classes.*

PLEASE NOTE

1. A separate registration form is required for each child.
2. A £15.00 admin charge is required with each form, £12.50 of which will be deducted from the September fees – (For a third or fourth child in a family the full £15 will be deducted from the September fees).
3. £15 admin charges are non-refundable unless the Music School is unable to offer a place as requested on the registration form.
4. September bids are only accepted from children already in the school until 28 June. This will include siblings and those on the resting list. This is to enable established families first choice places. Parents are asked to submit bids as soon as possible.
5. *All £15 cheques must be payable to “The Music School”*
